

## Literacy

**Information Texts-** Study information texts, finding facts about Egypt. Then write own information texts.

**Creative Writing-** Look at the different social classes and write from a slave's perspective.

**Report Writing-** Investigate the pharaohs and write a newspaper report on Tutankhamun.

**Instructions-** Recap features of instructions, write a set on how to make a mummy.

**Egyptian Stories-** Research the pyramids and write own stories focusing on description of Egyptian setting.

**Dialogue and Plays-** Learn features of playscripts, writing own Egyptian plays and performing. Recap dialogue, writing conversations between Gods.

**Persuasive Writing-** Identify the Ancient Egyptian legacy and persuade someone to appreciate how they have influenced their life.

## Science

**Living things and their habitats-** With a focus on those living things that are native or symbolic to Egypt, describe the difference in the life cycles of a mammal, an amphibian, an insect and a bird. Describe the life process of reproduction in some plants and animals.

**Animals, including humans-** Describe the changes as humans develop to old age, making links to the average age Ancient Egyptians died at and what happened next.

## Maths

**Egyptian Numeric System-** Look at the different ways numbers were written, read and used

**Egyptian Multiplication-** Try multiplication through doubling, as the Egyptians did not learn their times tables like we do today.

## Awesome Egyptians

Topic Web - 8 weeks

## P.S.H.E.

**Leadership-** Look at the pharaohs who reigned over Egypt and establish which ones made good leaders.

## Enrichment

**The Tutankhamun Exhibition-** Visit the Tutankhamun Exhibition in Dorchester, which features many of Tutankhamun's major treasures that have been meticulously recreated. The ante-chamber and burial chamber of Tutankhamun's tomb have been accurately reconstructed, together with all the tomb furniture and treasures, making it possible for you to experience the wonder of discovery and enter the tomb just as Howard Carter did when he discovered it in 1922.

**St Peter's Ancient Egypt Exhibition-** Following on from our visit to the Tutankhamun exhibition, Year 5 will be creating, running and hosting their own Ancient Egyptian Exhibition for our school community.

## Expressive Arts and Design

**Art-** Study the architectural feats of the Ancient Egyptians.

**Design and Technology-** Design, make and evaluate an Egyptian bookmark or bracelet in Textiles.

## Understanding the World

## Geography

**Locational Knowledge-** To locate Egypt and other world countries using maps.

**Human and Physical Geography-** To describe and understand key aspects of physical geography associated with Egypt, including climate zones, biomes, vegetation belts and rivers.

## R.E.

**Death Ceremonies-** Explore death ceremonies from the Ancient Egyptian times and their significance.
