

Year 7 Catch Up Premium 2019-20

The Year 7 Catch-Up Premium gives schools additional funding to support Year 7 students who did not achieve the expected standard in reading or maths at the end of key stage 2 (KS2). We also allow students to be supported into Year 8 to ensure they are not left behind in these two areas the best we can.

Desired outcome	Chosen action/ approach	Estimated impact:	Lessons learned	Cost
Students not secondary ready are caught up to ensure accelerated progress in KS3 and 4	1-2-1 mentoring in Literacy and numeracy and small group work. (Research by EEF- the Teaching and Learning Toolkit)	This year 62% met their target in English and 49% met their target in Maths of all pupils not scoring 100 in their reading or Maths KS2 tests 12/14 students in Achievement+ met their end of Yr 7 targets in Maths and English 18/38 met their targets in English and Maths at the end of Yr 8	The Catch-Up money appears well spent as a significant number of students who were not secondary ready according to their KS2 end points have now met their aspirational targets for English and Maths by the end of Yr 7 or 8. A significant number of students have caught up in their core subjects and many are working beyond their KS2 start point levels would have suggested they would be by the end of Yr7.
