

Eligibility criteria for Cybercamps programme - Bournemouth Pilot Autumn 2022

Guidance:

- Please email any questions about the eligibility criteria to JPMorganCybercamps@nas.org.uk

Students should:

- Be aged from 13-17 years. (Depending upon student numbers involved students may be in one group or allocated into levels: 13-14 years old (Beginner), 14-15 years old (Intermediate) or 15-17 years old (Advanced))
- Be interested in cyber security as a career
- Be able to use apps and a computer to access on-line content
- Ideally* be able to bring their own laptop/tablet, with Wi-Fi, for use during the Camp (please let us know if you don't have your own laptop/tablet to use during camp)
- Have an Autism Spectrum Condition diagnosis or to be actively seeking a diagnosis
- Be willing to disclose their diagnosis to JP Morgan and National Autistic Society staff and supervisors and to be comfortable with the National Autistic Society sharing a brief autism profile about themselves during the delivery of autism awareness training/coaching for JP Morgan and additional National Autistic Society staff, on your behalf, prior to the Cybercamp. (N.B. autism profiling will be completed beforehand with students and their Parents/Guardians - guided by the National Autistic Society. A profile will be completed to identify any autism and sensory difficulties/challenges, and other neurodiversities/conditions, so reasonable adjustments can be put in place when attending the Cybercamp.)
- Be personally motivated and well enough to commit to participating in:
 - a 1 week-long, non-residential Cybercamp (beginners/intermediate/advanced age groups), Autumn 24-28 October 2022 (Half Term school holiday)
- Have the ability to travel independently or with existing support on a daily basis, arriving for a 9.30am start and leaving when finished at 3.30pm, to and from the JP Morgan campus, Bournemouth, Chaseside site.
- Have internet, email and telephone or Skype access and be responsive to requests for information and queries from the National Autistic Society or JP Morgan staff
- Be able to access group training (possibly up to 20 people in a group)
