

20th January, 2023

Dear Parents and Carers

At the end of last term, I wrote to you regarding a special 'Open House' event we are holding for families with children in Year 7-9. These events have been introduced to help strengthen home – school partnerships. This is especially important now that the majority parent evenings are online as these were always a great opportunity to come in to school to talk with other staff as well as your child's subject teachers.

The event is for parents/carers and their children and will take place in the Theatre on Thursday 2nd February from 6pm to 7:30pm. There are very limited parking facilities, so we would recommend parking off site on one of the local roads.

From our recent parent survey, we have identified these themes as being of particular interest for you and your child:

- Responsible use of social media
- How we encourage positive behaviour
- Wider development of pupils
- Using TEAMS for home learning

After these talks, there will be light refreshments available and an opportunity to meet with a member of the Senior Leadership Team, other key staff, or a school governor.

To help us plan effectively for the evening, please fill in this form if you wish to attend:

We look forward to seeing you on February 2nd.

Yours sincerely

Ben Doyle
Headteacher

Becoming the best we can be
